Dr. Melissa Reeves, Ph.D., NCSP, LPC recently served as President of the National Association of School Psychologists (2016-17). She is currently an Associate Professor at Winthrop University, SC in the psychology department and school psychology graduate program and a senior consultant with Sigma Threat Management Associates. Dr. Reeves is a nationally certified school psychologist, licensed special education teacher, licensed professional counselor, and former district coordinator of social/emotional/behavioral services. She has over 20 years' experience working in public schools and a private school, in addition to providing mental health services in day and residential treatment settings. As NASP President, Dr. Reeves appointed the NASP Social Justice Task Force. She is also co-author of the National Association of School Psychologists (NASP) PREPaRE School Crisis Prevention and Intervention curriculum and former Chair (and current member) of the NASP School Safety and Crisis Response Committee. She travels both nationally and internationally training professionals in the areas of school crisis prevention through recovery, threat and suicide assessment, the impact of trauma on academic achievement, and works with schools on establishing a positive and safe school climate. She has conducted more than 250 workshops and presentations and has also provided consultation and staff development to professionals in the United States Department of Defense Educational Activity Schools located on various military installations. Dr. Reeves is co-author of four books and multiple publications.

NASP CPDs will be awarded upon successful completion each session

with support from Fairfield University, Graduate School of Education and Allied Professions
