March 2, 2023

Members,

We are still grieving the loss of our President Dr. Sarah Gelish. There is not a day that goes by that we do not think about her. However, organizational business must continue. At an Executive Board/Membership meeting held on February 28, 2023, Eric Elias was elevated to the role of President effective March 1, 2023. This elevation to President is consistent with the Operations Handbook when the sitting President is unable to serve. This vote was unanimous. At the same meeting, Rebecca Rivera was elevated to the role of Interim President-Elect. She will fill this role until June 30, 2023, when the newly elected President-Elect takes office. This vote was unanimous. We thank Eric and Rebecca for their service to CASP, our members, and the larger community. They are the perfect leaders to lead CASP through these unprecedented times. "

Sincerely,

Eric Elias
